## STRAIGHT TO THE FLUSH

**Forget pairs and trips.  
This game is all about the Flush!**

The player will place an Ante wager, then both the player and dealer will receive 7 cards. At this time, the player will have the option to raise 1X, 2X, or 3X their bet.

The dealer qualifies with a 3 card 9 high Flush. In the event the dealer does not qualify, the Ante is paid even money. If the dealer does qualify, whoever matches up the most suits are the winner.
