

## 3 CARD +

Three Card + is a poker game where a player goes head-to-head with the dealer for the best 3 card poker hand. The player will place an Ante wager and receive 3 cards. The player will then have the option to match the Ante or fold the hand. The dealer must have a qualifying hand of at least a queen. If the dealer does not qualify, only the Ante will be paid. If the dealer has a minimum of a queen, may the best hand win.
